**New Resources**— The Play Base has recently inherited some wonderful resources. These include good quality wooden resources, small world play sets, games, floor jigsaws and books. A visit to the Play Base is a must to see the large selection of resources now on offer.

**Posters & Books** - We will shortly be cataloging all our books and posters, there will be a facility in the Play Base to allow you to browse through the book catalogue before ordering.

**peep** Joanna Fleming the Peep Coordinator and myself have been working together to develop a sample of Heuristic play resources. These are now available from the Play Base together with sample Treasure Baskets. These can be borrowed, but are, however, examples and should be used to aid developing your own resources.
